From the President

Jane Rossman

We will have our next HCC meeting on June 19th preceded by dinner at Noble Horizons. The program will feature short presentations by... us! Even if you can't make the dinner, plan to attend the meeting. Both will be held in the Community Room in the Cobble Building. Bring a cd, dvd, or flash drive and showcase some of your work. The more people who participate, the better our Member Showcase will be!

PSA AWARDS ANNOUNCED

HCC entered six photos in the most recent Photographic Society of America (PSA) club digital image competition and results have just been announced. Congratulations to Bert Schmitz for receiving an award for his image ***Boating amidst the Stupas.***

The June meeting is our final meeting for the current season, but it is not the end of activity until September. See the announcements below and watch your email for news about summer trips, tips, and photo opportunities.

SHARON PHOTO EXHIBIT

A remarkable photo exhibit is running until July 4th at the Historical Society Building (next to Library) in Sharon. The woman is a pro: Catherine Noren. Her photos are impressive and her work with photoshop even more so. She makes nature and landscape thrillingly exciting. For once, I also liked the framing. Please have a look. The

building is open Wednesday-Friday 10-4. Enter on the side and don't forget to go to the front rooms too. Birgitt
