The Program for 09/18/2007

September 18th:

How I spent my summer vacation.

Members night: The night to strut your stuff, Prints, Slides, Digital, bring your new summer works and show us how you spent the summer.

Member Dues Notice!

If you have not paid your annual dues don't forget they are vital to keeping the club afloat. Dues should be paid

promptly and it is important for the continued success of the club. If you enjoy the programs and competitions we have then

remit payment to Jenn Abbott as soon as you can.

Presidents Corner: Sergei Fedorjaczenko

Welcome to a new season of the Housatonic Camera Club. If you are a returning member, welcome back. If you are a new member, we hope you enjoy your experience with the club. We hope to continue our activities with guest speakers, competitions, shows, technical sessions and plan to introduce some new programs to enrich our enjoyment of photography. Remember this is *YOUR* club and we would like club events to give members a well-rounded program.

What would facilitate this is a healthy feedback from members. What are you looking for in a club? What types of events do you enjoy most? How much technical content should we present? Feel free to contact myself or any of the officers of the club with your suggestions. Speaking of Club Officers, we are in a state of transition right now and are finalizing our board. Thus far we have myself as president, Bill Devoti will continue as show coordinator, Jen Abbott steps in as treasure and membership, Ann Wilkinson as publicity chairperson, John Frenzel will continue to publish the newsletter but with a busy schedule. Judy Becker is our competition chairperson Fred Orkin will assist in program planning and coordination.

I would like to thank Rita and Bill for assisting me in making the transition into the presidency as painless as possible with all of their experience and insight. I look forward to a fun season for the club. Our first meeting next Tuesday the 18th will kick off the season with a "what I did on my summer vacation" presentation. Members are welcome to bring a disk with summer images.

PSA Info

The PSA interclub digital competitions are set for **November, January, March & April**. That being said, we will need to have our judgments during the meetings in **October, December, February & March**.

2 images per person is the limit, file not to exceed 1024x768 and no larger than 300K

The davrodigital imaging forum

Lazlo and I have been busy this summer helping our friend David Rowley establish his new forum on the web. It's been a big success too. If you have the chance check out [The Forum](#). There are galleries where members can post photos, bulletin boards where you can ask just about any type of photography / digital / Photoshop question you can think of and you will always get a warm welcome. If you are not familiar with [David Rowley](#), he is one of the United Kingdom's premiere Photoshop instructors. He has free tutorials available for viewing on his blog page and some excellent DVD tutorials for purchase at an amazing price.
